Building Collective Intelligence - hashtag chat starts in 2 min. #aisinetwork #plpnetwork

If this is your first Twitter chat the most impt thing to remember is to use the #aisinetwork or #plpnetwork hashtag in your post

We will start with a question which will have Q1 and the #aisinetwork #plpnetwork hashtags in the post.

We will start with a question which will have Q1 and the #aisinetwork #plpnetwork hashtags in the post.

You will answer with A1 and the #aisinetwork or #plpnetwork hashtags in your reponse.

You will answer with A1 and the #aisinetwork or #plpnetwork hashtags in your reponse.

Sometimes I will use Q1+ or Q2+ that is to signify an extension or rewording of the question. #aisinetwork #plpnetwork

By adding + I am alerting you that it is a connected question framing the same idea. #aisinetwork #plpnetwork

To follow the chat you will click on the #aisinetwork tag or the #plpnetwork tag and it will bring all tweets using that tag together.

You can go to http://t.co/TpFCwsHM & enter #aisinetwork or #plpnetwork in search and follow the tweets there. You can control speed there too

Building Collective Intelligence, doesn't just "happen." Needs to be structured. esp for Ss.
